

Daniel Garner
FINANCIAL ADVISOR

Dan joined Presper Financial Architects (formerly a part of Millennial Group) in May of 2016 after graduating from The Ohio State University with honors; majoring in both Finance and Economics.

At Presper Financial Architects Dan is involved in the vast majority of client meetings, develops retirement projections for clients, analyzes client portfolios, manages client investments, performs investment research as a member of the firm's investment committee, and handles life insurance needs for clients.

Dan is a licensed insurance sales representative in the state of Ohio, and he has previously passed the Series 7 & 66 examinations. He is also one of the instructors for the "Passport to Retirement" workshop that is taught in various locations around the area.

Dan and his wife Alicia were married in 2017 and currently reside in North Canton. Outside of the office Dan can usually be found participating in or watching some type of sporting event. His current pursuits are: multiple softball leagues (way too many if you ask his wife), skiing, snowboarding, golfing and soccer.
