

## Thomas M. Presper CLU, ChFC

Financial Advisor

Tom began his career in Financial Services at the age of 18 by selling life insurance while in college. After completing his degrees in accounting and finance, he became Executive Vice President at Specialized Insurance Agency serving the insurance needs of corporate executives, professionals and retirees. Tom joined Millennial Group in May of 2002 as a partner and in 2017 formed his own firm, Presper Financial Architects.

During his thirty-five plus-year career, Tom has developed a specialty in providing personalized planning to individuals, helping them to organize their affairs, grow and protect their investments, reduce taxes and transition their wealth to the next generation.

Tom has served on numerous professional industry boards and has received countless awards for service excellence. He has served on numerous civic and religious boards; most recently past President of the St. Vincent-St. Mary's Endowment Board and as a Board Trustee of the Akron Area YMCA. He currently serves as a board member of the Nu Rho Psi Endowment Board, an organization to promote neuroscience.

Tom is a Certified Life Underwriter and Chartered Financial Consultant. He has taught retirement classes at local schools and corporations and is certified to teach continuing education classes to CPAs and attorneys.

Tom enjoyed coaching multiple youth sports as a volunteer over a thirty-year period. He holds the highest certification as a youth soccer coach in Ohio.

Tom lives with his wife Sonya in Akron. They have six wonderful children, and have been "hosts" to other local and international students. His hobbies are anything in which his kids and grandkids are involved.
