

Presper Financial Architects  
520 S. Main St. Suite 2552 Akron

There is an accessible parking lot and entrance right behind the building.

The entrance is at Building 24, right next to our building.

Take the elevator to the 5th floor and turn left, then left again, then turn right.

Go down the hall and through the doors on your left and keep turning left.

**COME ON IN!**

We are the 3rd door on the left.

Always glad to see you!
